The Profitable Hobby Farm now available on Homestyle Bookclub

(Indiana), (June 8th, 2010) – Homestyle Bookclub (<http://www.homestylebooks.com/>) is now offering a hardcover edition of Sarah Aubrey's book, The Profitable Hobby Farm: How to Build A Sustainable Local Foods Business.

Homestyle Bookclub is an online center where members can purchase, review, and browse books. Its main focus is on Home Improvement, covering topics such as gardening, cooking, decorating, and, crafting. In their review of The Profitable Hobby Farm, Homestyle wrote, "Make money doing what you love with Aubrey's experience-based advice on attracting and keeping customers, surviving the first year in business and finding and applying for money to fund your venture....Why not cash in on your passion?"

Sarah Aubrey is very excited to have her book available on Homestyle's website, as it is a great read for anyone who wants to turn their homestyle hobbies into something more profitable.
